WORK HISTORY

Produce Department Manager | Walmart - Memphis, TN 06/2018 - 03/2020

- Kept grocery team operations in strict compliance with workplace standards and food safety requirements to maintain optimal health protection.
- Organized efficient merchandise replenishment strategies to keep shelves stocked and well-organized for customers.
- Purchased produce following guidelines of the marketing plan.
- Kept department equipment in working order and advised the general manager of equipment repair or replacement needs.
- Assisted customers with produce questions.
- Evaluated suppliers by assessing quality, timeliness and compliance with deliveries to maintain tight cost controls and maximize business operational efficiency.
- Enhanced communication between patrons and team members to cultivate an upbeat, team-oriented culture.
- Coached and mentored new team members.
- Set, enforced and optimized internal policies to maintain efficiency and responsiveness to demands.

Produce Sales Associate | Walmart - Lakeland, FL

06/2012 - 05/2018

- Inspected floor displays, noted missing items and immediately replenished merchandise.
- Pleasantly greeted customers and always provided prompt and courteous service.
- Received and unloaded new items upon delivery and checked products for damage and order accuracy.
- Monitored refrigeration, freezer and cooling areas for proper functioning and reported issues to supervisor.
- Used product knowledge, sales abilities and customer relations skills to drive substantial sales increases in produce and fresh products.
- Answered questions about store policies and concerns to support positive customer experiences.
